

GO GARRETT GO ON TRACK TO RAISE \$15,000!

Oakville – June 9, 2011

Even though both of his teams are only three weeks into their seasons – based on pledges received to date – GO GARRETT GO is already **on track to raise over \$15,000!**

The football team has scored 5 touchdowns in 2 games and are on pace to score 25 for the season (including playoffs).

The Burlington Stingers soccer team has scored 7 goals in 3 games – which means they are on pace to score 35 goals.

If we assume both teams will reach 25 touchdowns/goals...over \$15,000 will be raised!!

With at least 7 weeks remaining in the football season and 10 weeks left in the soccer season there is lots of time for more pledges!!

Thanks to everyone who has pledged so far. It is because of your generosity that GO GARRETT GO has been successful so far.

If you have not yet pledged...do it now!

Pledges can be made right up until the last game of the season!!!
