

SUPERBOWL HOST COMMITTEE FEATURES GARRETT AS PART OF “SLANT 45” COMMUNITY SERVICE PROGRAM!!!

Oakville, Ontario – November 12, 2010

The North Dallas SuperBowl Host Committee (the organizing committee for the Dallas SuperBowl) was a great supporter of GO GARRETT GO this past summer. They donated two tickets to the SuperBowl Host Committee Gala (part of SuperBowl week) which GO GARRETT GO gave away as a prize to the person who had the highest individual pledge (it was \$100 per touchdown!).

During the GO GARRETT GO summer 2010 season they asked Garrett to participate in “Slant 45” – a community service learning program of the SuperBowl Host Committee which was targeted towards kids – and which urged them to “do good”.

With the Slant 45 program now winding up – with amazing numbers – over 38,000 kids participating – and generating over 400,000 of community service learning - Garrett’s work on GO GARRETT GO was featured in the organizations newsletter summarizing its achievements. This newsletter goes out to people all across the U.S.

As part of the program, Garrett was asked to put a “collage” together summarizing GO GARRETT GO. The collage was selected to be part of an exhibit at the Fort Worth Museum of Science and History as part of the Slant 45 and SuperBowl Host Committee programs.

This is a great honor for Garrett and GO GARRETT GO – and he wishes to extend his sincere thanks to the Host

Committee and the Slant 45 organizations.

Thanks again for all of your support – and keep coming back to gogarrettgo.com for exciting news on the spring 2011 season!!!
