

**GO GARRETT GO PASSES \$200 PLEDGED PER TOUCHDOWN & \$60 PLEDGED PER GOAL!!**

*Oakville Ontario – May 9, 2010*

GO GARRETT GO had a big second weekend – jumping from \$60 pledged per touchdown (football) & \$32 pledged per goal (soccer) to \$206 pledged per touchdown (football) and \$66 pledged per goal (soccer)!

Thanks to everyone who has pledged so far! Keep telling your friends, family, anyone and everyone you know to go to [gogarrettgo.com](http://gogarrettgo.com) to pledge today!

Those pledges translate into somewhere between **\$5,500 and \$6,500** in total donations right now (depending on how many touchdowns/goals are scored) taking “caps” on touchdowns/goals into account – a great start!!

Remember all funds go to Children’s Miracle Network Hospitals and KidSport.

With 11 days to the first game – and almost 12 weeks to the end of the season there is lots of time left to generate lots more pledges!!!!

If you have not pledged yet - don’t forget to get your pledges in by midnight Monday May 23<sup>rd</sup> to win one of our four “early bird” prizes – signed jerseys from each of four MLSE franchises (Leafs, Raptors, Toronto FC, Marlies).

The “Pledge” total for football and soccer gets updated every Monday – so the \$206 pledged per touchdown and \$66 pledged per goal – while now passed and growing each day – will stay there for the next week.

Thanks for your continued support of GO GARRETT GO!!!
