

**GO GARRETT GO PASSES \$60 PER TOUCHDOWN/\$30 PER GOAL ON  
OPENING WEEKEND!**

*Oakville Ontario – May3, 2010*

Yesterday GO GARRETT GO pledges passed the \$60 per touchdown mark (football) and \$30 per goal mark (soccer) – a great start to its campaign to raise funds for the Children’s Miracle Network, KidSport and GO GARRETT GO – thank you all those who pledged!

The challenge now is to keep up the pace – and to do that GO GARRETT GO needs you to keep telling your friends, family, anyone and everyone you know to go to [gogarrettgo.com](http://gogarrettgo.com) to pledge today!

Also thanks to everyone following GO GARRETT GO on Facebook – but remember following isn’t enough – you need to go to [gogarrettgo.com](http://gogarrettgo.com) and pledge today (or ask your parents to go and pledge)!

The website “Pledge” total gets updated every Tuesday starting May 10th– so the \$60 per touchdown total and \$30 per goal total – while now passed and growing each day – will stay there for the next week. The same goes for the list showing some of the people who have pledged – it gets updated once/week, the same as the “Pledge” total.

Thanks again to helping us get off to this great start!
